031	22/08/05	Guidant price variations in accordance with original terms and conditions on products; 1296 and 1198	TW

## 1. INTRODUCTION

Health Supply Services has produced this Buyers Guide to provide information required to purchase implantable cardiac pacemakers, defibrillators and leads through this period contract.

This Buyers Guide is available as a hard copy document and on the Government Health Supply Council Web Site at <http://www.ghsc.health.wa.gov.au> 'existing contracts'.

Health Purchasers are advised that amendments / variations may occur to this contract throughout the contract period. To ensure your purchasing reflects up-to-date details please check the Issue No. and date issued on the front cover of this Buyers Guide regularly on our website <http://www.ghsc.health.wa.gov.au>. Amendments to the contract are recorded within the Buyers Guide.

## 2. Contract Overview

The Government Health Supply Council has arranged and entered into this contract on behalf of all Western Australian Government Health Care Units.

### 2.1. Scope

Provides for the consignment supply and delivery of implantable cardiac pacemakers, defibrillators and leads and associated equipment.

### 2.2. Contract Term

The contract is valid for the period from 1st March 2003 to 28<sup>th</sup> February 2005. After this time, the Government Health Supply Council has the option of extending the contract for a further two, twelve month periods to 28<sup>th</sup> February 2007.

### 2.3. Contract Type

#### 2.3.1. Mandatory

There is no requirement to obtain quotes from the listed suppliers when purchasing through this contract.

The Council reserves the right to add to the contract, additional products or suppliers (on application) where their offers comply with the original terms and conditions of tender and are considered to represent value for money.

The Council reserves the right to accept upgrades in products throughout the Contract period on application by existing Contractor/s. The decision to accept new models will be at the discretion of the Council.

Individual hospitals will negotiate with individual contractors over consignment levels or direct purchase details.

#### 2.3.2. Buying Rules

The contract prices published herein are applicable to public patients only.

## 2.4. Delivery Charges

Items will be delivered free to the Perth metropolitan area.

The supplier will suitably pack goods to avoid damage in transit.

Delivery times given in this Buyers Guide are estimates only. Suppliers should be contacted to establish agreed delivery arrangements and delivery time. It may be necessary to contact more than one supplier to obtain suitable arrangements.

## 3. How to use this Contract

To purchase through this contract, buyers must:

1. Identify the items and the preferred supplier from this Buyers Guide that meet their requirements.
2. Arrange with the preferred supplier appropriate consignment levels.
3. On using the device, place an order with that supplier. Include the contract number, Buyers Guide reference number, Health catalogue number, item description and supplier's product code, department contact and delivery arrangements.

Please note: The contract number must be quoted to receive the contract price, the devices and leads are GST Free.

## 4. Complaint Resolution

Every supplier is required to provide a satisfactory level of service. If a Health Care Unit is dissatisfied with the product or service provided by a supplier or has any specific concerns, these should be discussed with the supplier in the first instance.

Please keep a written record in your files of all complaints including the following details:

- Nature of the complaint.
- When the complaint was made.
- To whom the complaint was made.
- The issues involved.
- The supplier's response.
- Whether the matter was resolved to your satisfaction.
- Any other relevant details.

This information will be required if the Contract Manager is to take action under the contract. It should also be referred to when completing contract assessment surveys.

Supplier performance is a key tender assessment criterion so Health Supply Services should not only be advised of any problems or issues not resolved to your satisfaction but also we ask that you provide positive feedback regarding good or excellent supplier performance.

Health Supply Services is constantly seeking ways of improving the services it provides, and welcomes any feedback you may have regarding this contract, the suppliers or this Buyers Guide. Please use the attached feedback form that can be faxed or e-mailed to the Contract Manager.
